Kings Korner Store- Looking for Management

We are looking for someone who would be willing to take over running the King's Korner Store. This corner store has school supplies, provides Trinity items such as bags, hats, and other clothing, and also sells County Market gift cards to help support our school. If you would be interested in this position, or in learning more about the store, please contact Tonya Johnson or the office. Thank you!

Computer Security Software

In order to protect the school's computer network, as well as students' personal computers, we are offering the option to install Malwarebytes security software (<https://www.malwarebytes.org/>) to prevent viruses. Malwarebytes is freely available, non-intrusive, and our Technology Administrator would complete the installation. Please email Corey Callison (ccallison@trinitysf.org) your student's name and grade if you would like to opt-in. The installation would take place during the school day, and your child's computer would be returned to them for school use as soon as the installation is complete. Thanks for your time!

Lenten Services and Soup Suppers

Throughout the Lenten season, soup suppers and Lenten services will be held each Wednesday evening through March 16th. Soup suppers will begin serving at 4:30 ^{P.M.} in the Family Center for a free will offering, followed by Lenten services at 6:30 ^{P.M.} All proceeds from the soup suppers will go to the "Student Aid Fund" for those studying for full-time church work. Join us as we "Journey to the Cross" in preparation for the joyous celebration of the resurrection of our Savior, Jesus Christ.
