School Picture Day

*Dear Trinity Families,*

*We are so excited to be starting another school year here at Trinity! Look for this weekly newsletter each Thursday to keep you up-to-date with the latest announcements.*

*The Trinity Faculty*

*Opening chapel on the first day of school.*

## Start of the School Day

Thank you for your patience with us these first few days of school as we adjust to the new morning busing schedule. Any students who arrive late (after 7:40 a.m.) due to busing complications will not be marked tardy.

## Lunch Helpers

Thank you to all of the adults who have volunteered thus far to help out with our hot lunch program this year. We could still use some extra adult volunteers to help throughout the week. Please let us know if you are willing and able to assist in this area.

## First LEGO League

First LEGO League is beginning soon! The first meeting is **Thursday, September 15<sup>th</sup>** after school. LEGO League will meet on Tuesdays and Thursdays this year from 2:30-4:00 p.m. The first meeting will be in the computer lab. LEGO League is open to students in 3<sup>rd</sup>-8<sup>th</sup> grade. If you have any questions, contact Gwen Moritz at (763) 441-3778 or [kgmoritz@msn.com](mailto:kgmoritz@msn.com).

## Y.I. Stamp Club

All students are invited to be a part of the Trinity Y.I. Stamp Club! This is a great opportunity to teach your child the basics of biblically-based investing. Our first Stamp Day will be **Wednesday, September 14<sup>th</sup>** and it will continue on each successive Wednesday. If you have any questions, contact Ms. Valerie Morton at (612) 232-6575 or [vmorton630@hotmail.com](mailto:vmorton630@hotmail.com). Thank you!

## Trinity T-Shirt Orders and Apparel

If you wish to order a Trinity t-shirt for your child(ren), the cost is \$10 a t-shirt. Orders are due by tomorrow, **Friday, September 9<sup>th</sup>**. We ask that each student has a Trinity t-shirt for field trips throughout the year.

If you are interest in other apparel items, visit our My Locker page at <http://www.mylocker.net/minnesota/saint-francis/trinity-lutheran-school/index.html> for more options.

## Playground Installation Help Needed

All,

The climbing structure for the playground has arrived and I will need help installing it. The installation will consist of digging 8 large holes (2x3.5x3 feet) and pouring concrete into those holes. We will then let the concrete cure for a few days. This portion will be the bulk of the work; the actual set-up should be relatively easy.

As of now, the dates I am looking at are **Wednesday the 21<sup>st</sup>** for the concrete work and **Monday the 26<sup>th</sup>** for the actual set-up. Times are flexible based on other people's schedules. (Dates could be flexible also, if needed. The 22<sup>nd</sup> could be an option.)

I could use as much help as possible on the 21<sup>st</sup>.

Please contact me via email, as soon as you can, to volunteer.

Thank you,  
Adam Bowers
