School Picture Day

We are so thankful to County Market in St. Francis for providing the students with the majority of their school supplies this year! Last week, the students met with their chapel families to create thank you cards. We invite you to also extend your personal thanks to County Market.

A.M. Busing Next Wednesday

Next **Wednesday, September 21st**, the St. Francis public school system is starting 90 minutes late. This means that the A.M. busing will be running late. **Trinity will still be starting at our regular time.** If your child needs to ride the bus next Wednesday, they will not be marked tardy.

MAP Testing

We will be completing the first of our three rounds of MAP testing over the next two weeks. As always, we encourage students to get a good night's sleep and eat a healthy breakfast each morning before testing.

First LEGO League

First LEGO League is beginning **today, Thursday, September 15th**. LEGO League will meet on Tuesdays and Thursdays this year from 2:30-4:00 p.m. The first meeting will be in the computer lab. LEGO League is open to students in 3rd-8th grade. If you have any questions, contact Gwen Moritz at (763) 441-3778 or kgmoritz@msn.com.

Singing in Church

The Kindergarten-8th graders will be singing in church for the 8:00 and 10:30 church services **on Sunday, September 25th**. We hope you can join us!

Lunch Helpers

Thank you to all of the adults who have volunteered thus far to help out with our hot lunch program this year. We could still use some extra adult volunteers to help throughout the week. Please let us know if you are willing and able to assist in this area.

Baby Dolls

This Kindergarten classroom is looking for some gently used baby dolls for use in their classroom. If you have one to donate, they would be grateful to have it.

Trinity T-Shirt Orders and Apparel

If you didn't get a chance to make your Trinity shirt order, you can still do so online at <http://www.mylocker.net/minnesota/saint-francis/trinity-lutheran-school/index.html>. We ask each student to have a Trinity shirt to wear on field trips.

Playground Installation Help Needed

The climbing structure for the playground has arrived and help is needed installing it. The installation will consist of digging 8 large holes (2x3.5x3 feet) and pouring concrete into those holes. We will then let the concrete cure for a few days. This portion will be the bulk of the work; the actual set-up should be relatively easy. As of now, the date for the concrete work is **Wednesday, September 21st** and the date for set-up is **Monday, September 26th**. Times are flexible based on helper's schedules. If you are able to help, please contact Adam Bowers as soon as possible at bowera10@gmail.com.

Scholastic Book Orders

September Scholastic book orders are due **today, September 15th**. You can still order online by visiting <http://www.scholastic.com/readingclub> before midnight and using the code HZQWM.

Chapel Offerings

Our first quarter chapel offerings will be going to those affected by the massive flooding that occurred in Louisiana recently. We pray God would give those affected by this disaster hope and comfort in the midst of their distress and grant them faith in the One who suffered for us, Jesus Christ.
